

Full of the Christmas Spirit

by

Paul Curtis

Come Christmas day
I will be full of Christmas spirit
Buck fizz with my breakfast
Is only the start of it
Then a sherry with the vicar
After the candles have been lit
And aperitif before lunch
Maybe Vodka or a Gin and it
Wine with every course
Brandy when the pudding is lit
Liqueur with coffee
Then more brandy as we sit
Then when the day is over
I wish shoe a ferry Hacky Fhrismit
