The ILM Level 7 Certificate for Executive Coaches and Leadership Mentors

Course Outlines:

Have you got the right values and beliefs systems to support others?

Are you at that stage in your management career where you can advise and help others who are aspiring to new heights or need guidance in their careers?

Then this is the next natural stage in your own CPD that you should aspire to...

The ILM Level 7 Certificate for Executive Coaches and Leadership Mentors aims to equip practising senior leaders and managers or those working in a training and development role with the knowledge, skills and confidence to perform effectively as coaches or mentors as part of their normal work role; and in addition to equip them to possibly move into a development role within their organisations or freelance as a workplace coach.

An Informative, proactive and interactive ILM training Qualification with hands on experience that will develop an established coach and mentor to higher achievements

-  D7.01 critically reviewing the role of the leadership mentor or executive coach in developing leadership performance.
-  D7.02 critically reviewing own ability to perform effectively as a leadership mentor or executive coach.
-  D7.03 undertaking leadership mentoring or executive coaching.
